Title: Teaching Sin and Cosine Instrument

Letter for Reconsideration,

I, Gerald Bauldock, am requesting that my application for a Teaching Sin and Cosine Instrument patent (application # 10/707,091) be reconsidered with the following amendments that were listed in the Office Action dated 9/23/04. The amendments are as follows:

- 1) The original Abstract of Disclosure has been modified as requested in the office action.
- 2) The original Claims have been modified as requested in the office action.
- 3) Arguments are provided to justify claims against the rejections listed in the office action.

Gerald Bauldock

Amendment to Claims

- 1) The claims have been rewritten in the form as follows:
"The device of claim 1, wherein the ..."
- 2) Language such as "can be used to measure" has been changed to "and measures" as recommended in the office actions.
- 3) Claims 6 have been canceled.
- 4) Claims 7 and 8 have been added.

The amendments includes no new matter that was not disclosed in the original specifications.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Gerald Bauldick
